Cell phones must be turned off during practice times.

GOSSIP will NOT be tolerated about athletes (your athlete or other athletes), coaches or any other team in the gym. It is much better to address concerns than to listen to idle gossip. We want this facility to be a gossip free zone!

No profanity or abusive language will be tolerated or allowed by athletes or parents. If this occurs the athlete will be immediately suspended and or removed from the program.

Never post a negative comment on a website or any social media outlet.

You may not post Infinity Dance performances, music, or choreography, routines, stunts, lifts etc. on websites. This includes, "facebook", "youtube", "instagram", etc during the current season

Be aware that team practices may occasionally change or be added due to conflicts, injuries, and team needs. We will always have extra practice before competitions. Anyone threatening to quit or to pull their child will be dismissed from our program immediately.

Do not bring valuables to the gym. We cannot be held responsible for these items.

Only athletes and coaches are allowed in the gym area. Parents and spectators will NOT be allowed in the gym area unless there is a scheduled meeting.

For the safety and well being of our athletes, NO ONE is allowed to yell onto the floor during practice at ANY time for ANY reason.

It is the parent's responsibility to know what is going on with their team. **Please check your email and our website regularly.** There will be a parent portal on the website for team only information.

**Please never withhold a team athlete from practice as a form of punishment. This punishes the whole team more than the individual.**

Parents are never allowed to speak to a competition official for and reason or to represent Infinity Dance without direct written consent from Megan Sutton.

All Infinity Dance athletes and parents must show good sportsmanship at all times.

Please wear form-fitting clothing to practice. All team practices are mandatory. If an athlete is ill and cannot attend a practice, please notify the Director as soon as possible. **Missing practice 14 days prior to a competition is NOT allowed.
